# History

Donita's Cantina opened as a Mexican Restaurant in 1980 and was originally located in the Elk Mountain Lodge.

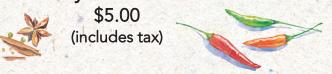

Donita's moved to our current location in 1984.

Here is this buildings history - Opened in 1881 as the Elk Mountain House, this building was originally a fine hotel, three stories high. It was considered by many to be the best hotel in western Colorado. In 1927, a fire destroyed the top two floors. In 1938, the burned-out floors were dismantled, the ground floor (what is now Donita's Cantina) was taken over by Gunnison County and used as the county garage and shops. In the 1960's the building was remodeled into a restaurant and it has been the home of Donita's since 1984. The beautiful pressed tin ceiling remains from the 1800's.

A picture of the original building is hanging behind the Host Station.

# Donita's Legendary Chunky Gourmet Salsa

Donita's Salsa is made daily from fresh, natural ingredients. It is available for sale at your table or our front counter.
